

Dear Jesus,
We thank you for this beautiful
service today. May we leave with a
message in our heart, and one that
will show on the outside so the world
can know you live in our hearts.
And Jesus we ask of you to help
us find the way to help our church
grow but only in a way that's pleasing
to you.

And Jesus as we grow in your
love help us to be more humble and
more understanding of our fellow man's
needs. Help us to truly love each
other as we should.

Thank you for the privilege
of being here today.
We pray in your name.
