

# HELP SAVE HISTORIC WOOLSEY CHURCH!

242 Hampton Road Fayetteville, Georgia 30215

## Our Mission

Friends of Historic Woolsey's mission is to restore, preserve, protect, conserve, and where possible, rehabilitate and revitalize historic buildings, sites, and landscapes that contribute to the cultural heritage in and around Woolsey, Georgia.

## Initial Project

Our initial project includes the restoration of the Historic Woolsey Church built in 1889 and the maintenance of the Historic Woolsey Cemetery. Once restored, the church (conceptual rendering above) will provide a gathering place for community events as well as opportunities for educational, civic, literary, and cultural arts programs.
